A donation of tissue, small and large baggies for the classroom would be greatly appreciated.

Depending on how quickly your child uses up their own supplies, items may have to be replenished throughout the year. This is a generic list. Your child's teacher may request a few additional supplies in September specific to their class.

It would be extremely beneficial if you purchased **no themed supplies**. Fancy erasers and pencils tend to be a distraction and usually of lower quality when compared to standard supplies.
