If possible, it would be appreciated if you dropped supplies off to the classroom on Tuesday, September 2nd between 12:00 and 2:30. This would make the first few days of school run more smoothly for students, parents, and your child's teacher. Please have items in a reusable bag labelled with your child's name and with packaging removed.

We use a colour system to organize our subjects. This allows students to identify their subjects and be able to get out the duotangs they need building students' independence. It is greatly appreciated if you can accommodate this, but it is not mandatory. Please choose the quality of supplies carefully as this will reduce the need to replenish items during the year. A donation of tissue, small and large baggies for the classroom would be greatly appreciated.
